CRUX OF POSTMEN 2009

~~Tag um Tag~~ erzählte uns wie zwei kaltblütige Sonderlinge in Fontage einer Stadt in Italien bei der Ausstellung im Dezember 2008 nach der Besichtigung der Exponate den Pförtner anredeten. Das klang ungefähr so:

A: "Oha, Ihre Dirty Boots Twins stellen einen Schritt nach vorne dar, weil der eine nach in der Vergangenheit ist, während der andere schon in die Zukunft eilt."

B: "Man könnte sagen, dass der eine aktiv ist und der andere passiv."

Seitdem gucken die Leute wie dumme Jungen

Und seitdem bittet Hamid Collective die Besucher, wenn sie einen der beiden Zwillinge [illegible] auf irgendeinem Bild entdecken, dass sie selbst [illegible] entweder die Pa[illegible] – das he[illegible] Vergangenheit [illegible] der Aktivfun[illegible] zuordnen – d[illegible]

DA NON UN'IDEA, TEMA CELESTE, N.4, OTTOBRE 1984

DIRE DELLE SCIOCCHEZZE È INEVITABILE QUANDO ALL'UOMO VIENE CHIESTO
DI PARLARE QUALCOSA DELLA QUALE NON SA NIENTE, CIOÈ QUANDO
L'OBBLIGO O L'OCCASIONE CHE L'UOMO POSSIEDE PER POTER PARLARE DI UN
TEMA COME QUESTO, SUPERANO LA SUA CONOSCIENZA DEI FATTI. MOLTE
SCIOCCHEZZE NASCONO A CAUSA DELL'ESTESA CONVINZIONE CHE PER UN CITTADINO
DI UN STATO DEMOCRATICO SIA UN DOVERE AVERE UN'OPINIONE PERSONALE SU
TUTTO. LA MANCANZA DI UNA RELAZIONE FRA L'OPINIONE DELL'UOMO E LA SUA
CONOSCENZA È LA PEGGIORE DALLE PERSONE CHE [illegible] POSSIEDONO [illegible]
GIUDICARE [illegible] I DESTINI DEL MONDO. LE FONTI [illegible] DELLE
SCIOCCHEZZE MODERNE SONO LE DIFFERENTI FORME DI SCETTICISMO [illegible]
ACCESSO ALLA VERITÀ OGGETTIVA PERCIÒ RIFIUTANO LA POSSIBILITÀ DI CONOSCERLA. REALTÀ
QUESTI SCETTICI FUGGONO DALLA DEDICAZIONE DELL'IDEALE DELLA CORRETTEZZA
RISCOPRONO COMPORTARSI SECONDO L'IDEALE ALTERNATIVO DELLA SINCERITÀ.
CHE NON HA ALCUN SENSO ESSERE FEDELI A SE STESSI. MA IN QUANTO ESSERI
ESISTONO [illegible] ALTRE COSE, NON POSSIAMO CONOSCERE
COMPLETAMENTE LE TEORIE E NEMMENO LE
PUNTO DI VISTA SECONDO CUI LA COSA PIÙ SEMPLICE È OTTENERE
SE STESSI FATTI CHE RIGUARDANO IN PRIMA PERSONA
FERMI E RESISTENTI PER UNA DECOMPOSIZIONE SCETTICA. EFFETTIVAMENTE LA NATURA
UMANA È INGANNEVOLMENTE FUGACE, MENO STABILE E [illegible] INCOSCIENTE
COME È LA NATURA DELLE ALTRE COSE, COSÌ CHE LA SINCERITÀ PER SE È UNA MERDA

Anothers love, anothers pain, Anothers hope, anothers game, Anothers loss, anothers gain.,
Anothers lies, anothers truth, Anothers doubt, anothers proof. Anothers left, anothers right.
Anothers peace, anothers fight. Marx had an idea from the confusion of his head,
Then there were a thousand more waiting to be led. The books are sold, the quotes are bought,
You learn them well and then you're caught. Anothers left, anothers right,
Anothers peace, anothers fight. Mussolini had an idea from the confusion of his heart,
Then there were a thousand more waiting to play their part. The stage was set, the costumes worn
And anothers empire of destruction born. Anothers name, anothers aim,
Anothers fall, anothers fame. Jung had an idea from the confusion of his dream,
Then there were a thousand more waiting to be seen. You're not yourself the theory says,
But I can help, your complex pays. Anothers hope, anothers game. Anothers loss, anothers gain.
Sartre had an idea from the confusion of his brain, Then there were a thousand more indulging in his pain,
Revelling in isolation and existential choice; Can you trully be alone when you use anothers voice?
Anothers lies, anothers truth, Anothers doubt, anothers proof. The idea born in someones mind
Is nurtured by a thousand blind Anonymous beings, vacuous souls,
Do you fear the confusion, your lack of control? You lift your arm to write a name,
So caught up in the identity game. Who do you see? Who do you watch?
Who's your leader? Which is your flock? Who do you watch? Who do you watch?
Who do you watch? Who do you watch? Who do you watch? Who do you watch?
Who do you watch? Who do you watch? Who's your leader? Which is your flock?
Who's your leader? Which is your flock? Who's your leader? Which is your flock?
Who's your leader? Which is your flock?
Einstein had an idea from the confusion of his knowledge,
Then there were a thousand more turning to advantage. They realised that their god was dead,
So they reclaimed power through the bomb instead. Anothers code, anothers brain,
They'll shower us all in deadly rain. Jesus had an idea from the confusion of his soul,
Then there were a thousand more waiting to take control. The guilt is sold, forgiveness bought.
The cross is there as your reward. Anothers love, anothers pain,
Anothers pride, anothers shame. Do you watch at a distance from the side you have chosen?
Whose answers serve you best? Who'll save you from confusion?
Who will leave you an exit and a comfortable cover?
Who will take you so near their edge, but never drop you over?
Who do you watch? Who do you watch? Who do you watch? Who do you watch?
Who do you watch? Who do you watch? Who do you watch? Who do you watch?
Who do you watch? Who do you watch? Who do you watch? Who do you watch?
Who do you watch? Who do you watch? Who do you watch? Who do you watch?

Homage

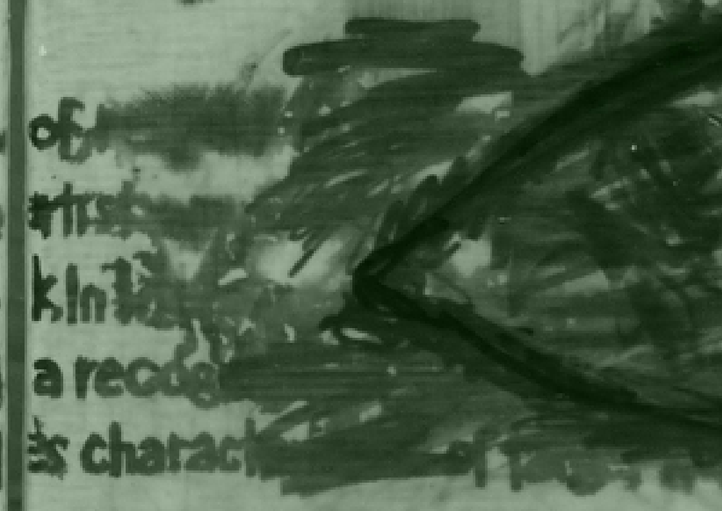

From Wikipedia, the free encyclopedia

For the medieval usage see homage (medieval) and commendation

Homage is pronounced variously as English pronunciation: /hɒm ɪ dʒ/ /hɒ
although the word entered Middle English many centuries ago. In tradi
the homage, rather than a hommage or an homage.[1][2] The latter usage, i
modern French use of the word to refer to an art or work of homage, e
English is generally restricted to this sense of the word.[3]

Homage is generally used in modern English to mean any public show
reference within a creative work to someone who greatly influenced the
work of art or literature to another, at least somewhat widely known, bu
whereas allusion merely refers to another work, homage typically repeat
Homage can be similar to parody, except that parody typically exaggerat

Homage may occasionally be perceived negatively by critics as a techniq
regarded as tannish or as an excuse for lack of originality.
